

# Annual Membership

## **Monthly Payment Option**

### **SIU Employee Payroll Deduction Plan**

The SRC Payroll Deduction Plan will eliminate having to renew your Student Recreation Center (SRC) Membership! Rather than having Monthly Payment Option to pay for a semester or annual pass in one lump sum, current SIU employees have the convenience of having it deducted from their paycheck.

Payroll deductions will begin upon receipt of the Faculty and Staff Payroll Deduction Agreement form found on our website.

However, depending on when you are paid, the deduction may not take effect until after your next pay period. This option is **ONLY** available for Annual Memberships and cannot be used on semester memberships, locker rental or towel service.

### **Non-SIU Employees**

When purchasing an Annual Membership, the Student Recreation Center now offers a payment option that would come directly out of your checking account on a monthly basis. This option is similar to the Payroll Deduction option for SIU Faculty/Staff, but is available for Community/Alumni/Emeritus members.

This option is **ONLY** available for Annual Memberships and cannot be used on semester memberships, locker rental or towel service.

The Annual Membership Monthly Deduction (ACH) and the Payroll Deduction forms are available to download at [www.reccenter.siu.edu](http://www.reccenter.siu.edu).
