Registration

SIUC students and RSS members must register for all sports on SIUC’s IMLEAGUES’ web site. Participants are expected to sign up during the posted registration periods for each sport. Late registrations may or may not be accepted, and the Competitive Sports Office cannot guarantee placement.

Leagues
In an effort to accomplish our mission to provide the SIUC community a fun, engaging, and appropriately challenging recreational experience and to meet the needs of our diverse community, the Competitive Sports Office offers different leagues and divisions for our sports. When the number of team registrations for a particular league is low, the Competitive Sports Office reserves the right to consolidate leagues.

Open Leagues:
- Open leagues have no gender restrictions for eligible players. Any number of males and/or females may play on one team.
- Open - Competitive: The competitive league appeals to the team and individuals with above average skill who desire a high level of competition. Participants in this league typically played the sport in high school, play(ed) in local leagues, or have played for many years.
- Open - Recreational: The recreational league appeals to players and teams of various skill levels who desire a more relaxed and fun atmosphere with some occasional competitive match-ups.

Men’s Leagues
- Greek – Fraternities: Teams in this league represent an organization officially recognized by the College Panhellenic Association, Interfraternity Council, Multicultural Greek Council, and the National Pan-Hellenic Council, and the SIUC Office of Student Engagement.
- To be eligible for participation, individuals must be listed on the Greek organization’s official roster.

Women’s Leagues
- Open: This league appeals to female players and teams of all skill levels and experiences. The experienced and serious athlete as well as the casual player will find a fun and challenging atmosphere.
- Greek – Sororities: Teams in this league represent an organization officially recognized by the College Panhellenic Association, Interfraternity Council, Multicultural Greek Council, and the National Pan-Hellenic Council, and the SIUC Office of Student Engagement. To be eligible for participation, individuals must be listed on the Greek organization’s official roster.

Co-Recreational League:
- In these league(s), teams have a minimum required number for both male and female players.
- Competitive (A): This league appeals to the team and individuals with above average skill who desire a high level of competition. Participants in this league typically played the sport in high school, play(ed) in local leagues, or have played for many years.
- Recreational (B): This league appeals to players and teams of various skill levels who desire a more relaxed and fun atmosphere with some occasional competitive match-ups.
Waitlist
After the registration deadline has passed for most sports, teams and individuals may register for the waitlist. Waitlisted teams may be placed into the league if (a) time slots are available, (b) teams are removed due to forfeitures or poor sportspersonship, or (c) a team captain requests that his or her team be removed from the league or tournament.

Since games may have already been scheduled, a waitlisted team must accept the division and game time(s) offered by the Competitive Sports Office. If a waitlisted team has not been contacted by the conclusion of the second week, the Competitive Sports Office recommends that the players attempt to join other teams.

Free Agents
SIUC Student and RSS members who are unable to find a team may sign up as free agents. Please visit the SIUC IMLEAGUES web site to register as a free agent. Team captains may contact free agents, and the free agent may choose to join that team or decline the invitation. Free agents may also initiate the process by contacting captains. Please contact the Competitive Sports Office for instructions and help.

Team Captains
The team captain is the liaison between the Competitive Sport Office and his/her team. The team captain is responsible for communicating all information received from Competitive Sports staff to his or her team in a timely manner.

Captain’s Responsibilities
- Reviewing the SIUC Intramural Sport Handbook
- Serve as the primary point of contact between the team and Competitive Sports staff
- Completing the registration process for the team
- Provide accurate team availability for pool play and postseason of each sport
- Completing all preseason requirements (e.g. Captain’s Meeting, Captain’s Quiz, etc)

Mandatory Captain’s Quiz & Meeting
For each team sport, the team captain must complete an online captain’s quiz by noon of the day following the registration deadline. The quiz will test a captain’s knowledge and understanding of the policies and procedures detailed in the SIUC Intramural Sport Handbook and specific sport rules.

Captains’ meetings will be held in the Alumni Lounge of the Student Recreation Center. The captain’s meeting will review relevant handbook information, highlight key rules, and serve as an opportunity for team representatives to ask questions, to seek clarification on policies and procedures, and to air any grievances.

The captain’s meeting and captain’s quiz is mandatory for all team captains. Failure to complete the captain’s quiz and/or attend the Captain’s Meeting may result in removal from the league.
Team Names
The Competitive Sports Office reserves the right to change any team names or icons. Names that include or reference the following are prohibited:

- Vulgarity
- Sexually explicit or violent acts
- Discrimination (race, religion, color, national origin, age, sex, sexual orientation, weight, disabilities etc)

Please use proper judgement when selecting team names. If you are unsure about the chosen name, please contact us for guidance.

Roster Information

- Participants may play for one single gendered team and one co-recreational team.
- For all league sports, participants may be added to the team’s roster until the end of the regular season.
- Roster additions are not allowed during the postseason of league sports.
- Participants must be on the official roster before the start of the team’s scheduled game. Team captains are advised to check their team’s online roster and report any discrepancies to Competitive Sports staff.
- A participant is considered to have officially played for a team once he or she has checked in for a team’s game or match. After he or she signs in for a single game with a team, that player may not transfer to another team for the duration of that sport.

Policies & Procedures

SIUC ID and RSS ID Policy
Each participant should be prepared to present his or her SIUC or RSS ID when signing in for each contest. If a participant cannot present his or her SIUC or RSS ID when asked, he or she cannot play. Other forms of identification (e.g. state issued identification, Facebook profiles, Salukinet class schedules) will not be accepted.

If a participant attempts to sign in using the SIUC or RSS ID of another individual, the identification will be confiscated, and the participant will not be allowed to play. The owner of the SIUC or RSS ID shall be suspended from all RSS facilities until he or she meets with the Coordinator of Competitive Sports.

Pets
Service animals are allowed at all RSS facilities and the Track and Field Complex. All other pets are not permitted in the Student Recreation Center and on the playing surfaces of the Recreational Sport Complex, Track and Field complex, and Sam Rinella Fields.

Owners are solely responsible for the behavior and actions of their pets. Pets must always be leashed and under control. Control is defined by a person holding the pet’s leash at all times. Tying the pet’s leash to objects is not considered control. All pet droppings must be picked up immediately. There are designated locations with dog waste stations. Please take your pets to these locations for clean-up.

When any animal becomes uncooperative or belligerent, Competitive Sports staff reserves the right to ask owners and their pets to leave the facility.
Photography Policy
Personal photography and videotaping are permitted in RSS facilities with the exception of restrooms and locker rooms. Personal photography and videotaping is defined as media of friends/family obtained informally for personal/private use. Personal photography used for commercial purposes is not permitted.

Academic photography and videotaping is permitted in RSS facilities with the exception of restrooms and locker rooms. Academic photography and videotaping is defined as media obtained and/or reproduced for academic purposes including class projects, University promotions and information. Academic photography must be approved by Corne’ Prozesky, Associate Director of Facilities.

Taking photos or video of individuals without their consent or the consent of RSS is prohibited and is cause for immediate removal from RSS facilities and possible suspension from RSS facilities.

Proper Attire
All attire and equipment is subject to the approval of Competitive Sports staff. Any clothing or equipment that is deemed unsafe or illegal must be removed prior to competition. Competitive Sports staff reserves the right to ask participants to remove or conceal clothing that, in the opinion of IM staff, displays offensive or demeaning language or imagery.

Non-athletic clothing including but not limited to jeans, dress pants, dresses, khakis, and blouses is prohibited. Athletic attire is typically breathable and loose fitting to allow a player to safely and effectively perform physical movements. Non-athletic clothing typically is not designed for sports and may lead to injury.

Players are required to wear athletic shoes (e.g. basketball shoes, running shoes, tennis shoes) for all sports. Players cannot play bare footed, and non-athletic footwear (e.g. vibrams, boots, flip flops, open-toed shoes, crocs, sandals etc.) is not allowed. For outdoor sports such as flag football, soccer, and softball, molded rubber cleats, molded rubber cleats with metal tips, and screw-in cleats with studs are allowed. Spiked cleats and screw-in metal cleats are prohibited.

Jewelry
All jewelry (e.g. earrings, rings, nose rings, bracelets, necklaces etc.) must be removed prior to each contest. For the safety of everyone, individuals with permanent or non-removable jewelry will not be allowed to participate. Religious and medical items must be taped down against the participant’s body.

Rules
All SIUC Intramural sports rules are based on the current rules publications of the National Federation of High Schools (NFHS), National Intramural-Recreational Sports Association (NIRSA), and other relevant professional and recreational associations. When appropriate, rules are modified and/or created to level the playing field and foster a safe and enjoyable experience for all participants.

Defaults, Forfeits, & Grace Periods

A forfeit is defined as one of the following:
(a) Failing to field a team for an Intramural sport contest without contacting the Competitive Sports Office.
(b) Receiving three or more conduct penalties before, during, and after an Intramural sport contest.
(c) Receiving two defaults during pool play
(d) Having ineligible players participate during a contest

Payments
- During the team registration process on IMLEAGUES, the team captain shall input credit information or link his or her PayPal account to their IMLEAGUES account.
- If a team or individual forfeits a game, the team captain shall have two (2) business days from the receipt of a notification-mail to contact the Coordinator of Competitive Sports to request an appeal.
- If a team or individual fails to contact the Competitive Sports Office within two business days after forfeiture of a contest, the forfeit fee will be assessed.
- After two business days, the Coordinator of Competitive Sports shall collect the fee via Braintree, the online payment service.

Forfeit Fee Appeal Process
- Within two business days of the forfeited contest, the team captain or individual must contact the Coordinator of Competitive Sports to schedule a meeting.
  - If the appeal is upheld, the loss may be recorded as a default.
    ▪ If the loss is recorded as default and results in the second default for pool play, the forfeit fine will be assessed.
  - If the appeal is denied, the forfeit fine will be assessed.
**Grace Periods**

**Initial Grace Period**
If at least one team member has signed in at game time, the team will be granted a five-minute grace period. Once a team reaches the minimum number of players to start the game, the team must start when directed by Competitive Sports staff.

**Optional Grace Period**
After the initial grace period has expired and the team has not yet reached the minimum number of players, the opposing captain has two options: (a) accept the win by forfeit or on-site default or (b) wait an additional five minutes. Once the opposing captain decides to wait, that decision is irreversible.

Once a team reaches the minimum number of players to start the game, the team must start when directed by Competitive Sports staff. If the team cannot field the minimum number of players by the end of the optional grace period, the game will be declared a forfeit.

**Blood Policy**
Participants that are bleeding, have an open wound, and/or have an excessive amount of blood on the uniform will be directed to leave the game. The bleeding must be stopped, the open wound must be covered, and/or the bloody uniform must be changed/cleaned before the player can return to the game.

**Protests**

**Player Eligibility**
During the regular season, a team captain may protest the eligibility of an opposing player at any time (e.g. before, during, and after a game; one week prior to or after a game). If the protest occurs on the night of the contest, the team captain should file a formal protest with the Competitive Sports supervisor. The supervisor shall meet immediately with both captains to discuss the eligibility of the player. At any other time, a team captain may contact the Competitive Sports Office to file a formal protest. The Competitive Sports Office will investigate the matter and inform both captains of the decision.

**Rule Misinterpretation or Misapplication**
During a game, participants may protest the misinterpretation or misapplication of a rule. After the conclusion of the play and before the start of the next sequence (e.g. Down, possession), the team captain should inform an official that he/she would like to protest the result of the previous sequence. Please note that the judgment of the game officials is not subject to protest.

The officials will hear the protest and make a decision. If either team disagrees, they may appeal the decision to a Competitive Sports supervisor. If either team continues to disagree, the supervisor shall complete the protest form, and the game shall continue under protest. A Competitive Sports Graduate Assistant or the Coordinator of Competitive Sports shall contact both teams with a decision.
Inclement Weather

During inclement weather, Competitive Sports activities may be delayed, postponed, or cancelled. The safety of players, spectators, and Competitive Sports staff is paramount; therefore, the Competitive Sports Office reserves the right to cancel or postpone games due to inclement weather. The Competitive Sports Office will inform teams via IMLEAGUES and social media. Please do not assume that games are cancelled. A decision on the status of that day’s games will be posted on social media and IMLEAGUES.

Competitive Sport activities are cancelled on any day when the SIU Administration chooses to close the University.

It is possible that games will be played in bad weather. However, play will be suspended thirty minutes from the last spotted lightning bolt or thunder head. Please review the following guidelines for restarting play after lightning occurrences:

- Regular season games
  - Soccer, Flag Football
    - 1st Half: The game may be completed with possible time adjustments.
    - 2nd Half: The game shall end with the existing score.
  - Kickball, Softball
    - The game will be considered complete in the following situations:
      - Thirty minutes has elapsed on the game clock
      - The fourth inning has been completed
      - When the third or fourth inning is interrupted at any point, the home team has reached one of the specified point differentials listed on the mercy rule table.
    - In other situations, the game may be completed with possible time adjustments.

- Postseason games
  - Depending on the postseason tournament format and the overall Competitive Sports programmatic calendar, games may be rescheduled.

Code of Conduct

Participation in SIUC Competitive Sports is a privilege for everyone. Students and RSS members expect a fun, challenging, and welcoming environment. Therefore, all participants who sign up for Intramural sports agree to the following:

- Treat RSS facilities, equipment, and staff with care and respect.
- Comply with the reasonable requests of Competitive Sports staff.
- Respect the rights, physical welfare, and dignity of teammates, opponents, and spectators during intramural sport contests.
- Adhere to the rules, policies, and procedures detailed in the SIUC Intramural Sport Handbook and the SIUC Student Code of Conduct
- Abstain from using alcohol, tobacco products, and electronic smoking devices during intramural sport activities.
Participants (players, players’ guests, coaches, and spectators) that practice unsportspersonlike behavior before, during, or after a contest are subject to disqualification and/or removal from RSS and SIUC facilities. Examples of unsportspersonlike behavior include but are not limited to the following:

✓ The use of profanity  
✓ Vulgar and abusive language  
✓ Disrespectfully addressing or contacting Competitive Sports staff  
✓ Excessive technical and unsporting fouls  
✓ Flagrant and excessive actions directed toward players or officials  
✓ Fighting, attempting to fight, or inciting a fight  
✓ Willful destruction and/or desecration of RSS and SIUC facilities and equipment

Participants disqualified due to unsportspersonlike or disruptive behavior must leave RSS and SIUC facilities immediately and may be remanded to the Office of Student Rights and Responsibilities for review under the Student Code of Conduct. Failure to comply may lead to SIUC Department of Public Safety (DPS) being notified and the levying of additional penalties such as team forfeiture of the contest, reimbursement of repair/replacement costs, removal of the team from the league, and individual suspensions from all RSS facilities and activities.

Participants ejected or removed from a contest for any reason are ineligible for further competition until reinstated by the Coordinator of Competitive Sports. The disqualified player will receive a notice of suspension via IMLEAGUES and must contact the Coordinator of Competitive Sports to schedule a meeting.

After the meeting has occurred, the Coordinator of Competitive Sports shall render a decision. If the participant disagrees with the decision of the Coordinator of Competitive Sports, an appeal should be submitted to the Associate Director of Programs within one week of the scheduled meeting with the Coordinator of Competitive Sports.
Sportspersonship Rating System

Team Sportspersonship
The sportspersonship rating system serves to assess a team’s attitude and behavior throughout the regular season and postseason. **Actions by teams and its supporters before, during, and after the contest are included in a team’s Sportspersonship Rating.** The team captain should educated his/her team and spectators about the sportspersonship system.

Each team shall start the contest with a rating of “5”, and the officials will determine a final rating at the end of the contest. Team captains may request their rating at the end of the contest and seek an explanation from the Competitive Sports supervisor and game officials. Postseason Eligibility

All leagues will consist of a pool play section followed by a postseason tournament. Team records, results, and overall sportsmanship rating will be considered final at noon on the day following the end of the regular season. Team captains should notify the Competitive Sports Office of any errors before the deadline. Please note that postseason eligibility and inclusion is subject to change due to unforeseen circumstances (e.g. weather, time constraints etc.)

To be eligible for the postseason, each team must satisfy the following criteria:

1. No more than one forfeit
2. An average sportspersonship rating of a 3.0 or better

Once a team meets all of the above requirements, postseason qualifications will vary by division. The top team(s) in each pool shall automatically advance to the postseason tournament. 1. Sportspersonship Rating
2. Win/Loss Record

4. Point Differential
5. Coin Toss

During the postseason, teams must maintain a sportspersonship rating of 2.5 or better to advance to the next round. League Promotion
The Competitive Sports Office reserves the right to promote teams to a more competitive division for the postseason. Teams will be promoted based on regular season performance and observations by Competitive Sports staff. When a team is promoted to a higher division for the postseason, regardless of their regular season record and performance, that team will receive the lowest seed. Teams that will be promoted will receive notification from the Competitive Sports Office.
