FULL-TIME EMPLOYEE SPOTLIGHT

Scott Wright
Maintenance Laborer

This week student affairs recognizes Scott Wright. Scott is a grounds worker for Student Health Services, Rainbow's End and the Student Recreation Center. I met Scott twelve years ago when he would come into the rec center at 5:30 am to work out before his work day started. Over the years I have noticed that Scott always keeps a positive attitude despite his big work load. Scott is a hard worker and takes pride in his work. He is always friendly and a real team player. In short, Scott has an attitude of gratitude. Congratulations, Scott
