Cloe Wins SIU “Student Employee of the Year” Award

Jensen Cloe, Facility Manager/Competitive Sports Supervisor was recently honored and named the SIU Student Employee of the Year. A committee on campus reviewed nominations of several worthy students from all over the SIU campus and Jensen’s was selected.

Jensen is a senior who graduates in May and has worked at RSS for the past couple years. She was honored in a reception from a member of the Student Employment Office and Student Financial Aid.

“Jensen is very deserving. She has contributed in so many ways to the SRC. Not only has she been a great employee but also has become a mentor for other students. Also she is involved in the RSS SEAC (Student Employee Advisory Council), and her customer service aspects have been noted as well,” stated Troy Vaughn, Director of RSS.
