The Competitive Sports Office reserves the right to change or modify the policies and procedures contained within this document at any time and with reasonable notice.
Employment Opportunities

The Competitive Sports Office is always seeking great students to serve as sport officials. Since we are student focused, student hours are very flexible. Employees that excel at the Sport Official position may be asked to serve as Competitive Sports Supervisors, taking a larger role in the success of the Competitive Sports Program.

The Competitive Sports Office and Recreational Sports and Services strongly believes in developing our students for their future careers and lives. Competitive Sports are a fun and challenging experience that will teach leadership skills, instill confidence, strengthen communication, and develop decision making skills. Please contact the Competitive Sports Office if you have any questions.

RSS Sports Official

The RSS Sports Official is charged with ensuring fair and safe play by enforcing Competitive Sports and RSS rules, policies, and procedures during Intramural sport contests. As a group, sport officials serve as impartial arbiters, applying rules and rule interpretations on a situational basis. Through his or her actions, the RSS Sport Official serves as an educator, teaching the value of fair play, sportspersonship, emotional management, and effective communication.

Duties:
- Officiate scheduled intramural sports contests and RSS special events.
- Assist the Competitive Sports Supervisor in performing routine safety inspections.
- Assist the Competitive Sports Supervisor with pre-contest and post-contest tasks.
- Assist the Competitive Sports Supervisor in enforcing Competitive Sports, RSS, and SIU rules, policies, and procedures.
- Attend all required Competitive Sports and RSS meetings and trainings.
- Complete post-game reports as required.

Qualifications:
- A general knowledge of sports
- Ability to receive and apply constructive feedback
- Ability to work independently and with co-workers
- High degree of integrity and trustworthiness
- Effective written and verbal communication skills
- Effective customer service, conflict management, and decision-making skills
- Ability to work evening and weekend hours

Preferred Qualifications/Skills
- Prior Sports Officiating Experience
- CPR/First Aid/AED certification
Purpose

The Intramural Sport handbook is designed to educate players about the general policies and procedures that govern all intramural sport activities sponsored by the Competitive Sports Office and Recreational Sports and Services (RSS). Please understand that all players are expected to review this handbook prior to participation, and failure to review the handbook is not an excuse for failure to comply. By registering for competition, players agree to abide by the policies and procedures outlined in this handbook and to comply with the decisions and requests of Competitive Sports staff.

RSS Mission Statement

The purpose of Recreational Sports and Services is to enhance the quality of life for our students and the SIU community by providing dynamic opportunities in safe facilities and environments.

Recreational Sports and Services engages patrons to promote wellness through social interaction and healthy lifestyles.

We strive to be professional, knowledgeable, and resourceful while embracing creativity and inclusivity.

RSS Statement of Inclusivity

At SIU, we celebrate a rich history of diversity within our student body and acknowledge this strength as a proud foundation to build upon. We recognize and value the diversity of our faculty, staff, and campus leadership. SIU is committed to being mindful of the voices of the diverse campus community.

Additionally, Recreational Sports and Services (RSS) will continue to…

…Champion the chance for ALL to participate and contribute to their highest potential. We are dedicated to equal opportunity and inclusion for all people regardless of race, color, religion, sex, national origin, age, disability, veteran status, sexual orientation, familial status, gender identity or genetic information.

We are committed to providing safe spaces for all participants. In an effort to accommodate all of our members, we provide multiple workout areas to address various skill, ability, and individual comfort levels. We respect inclusive excellence and provide gender inclusive restrooms and gender inclusive changing rooms. Please see individual area signage within the Student Recreation Center (SRC) for more information and facility/program policies.
Release of Liability, Waiver of Claims, Assumption of Risk, and Indemnity Agreement

When registering for intramural sport leagues, tournaments, and contests, each player will read and agree to the following Release of Liability, Waiver of Claims, Assumption of Risk, and Indemnity Agreement (i.e. “Release”). If the player chooses not to accept the terms of the Release, they cannot complete the registration process.

RELEASE OF LIABILITY, WAIVER OF CLAIMS, ASSUMPTION OF RISKS, AND INDEMNITY AGREEMENT

This is a legally binding Release of Liability, Waiver of Claims, Assumption of Risks and Indemnity Agreement (collectively, “Release”), made voluntarily by me, the undersigned Releasor, on my behalf, and on behalf of my heirs, executors, personal representatives, legal representatives, assigns, and next of kin to the Board of Trustees of Southern Illinois University and Southern Illinois University Carbondale and their officials, representatives, agents, volunteers and employees and Intramural Sports. As the undersigned Releasor, I acknowledge and fully understand that there are dangers and risks to which I may be exposed by participating in Intramural Sports activities. These dangers and risks include bodily injury, permanent disability, paralysis and death. These dangers and risks may be caused by my own actions, or inactions, the actions of others participating in Intramural Sports activities, the condition in which the activity takes place, or the negligence of the “Releasees” named below. I understand that participating in Intramural Sports while under the influence of alcohol and/or drugs is prohibited and I agree that I am not under the influence of alcohol and or/drugs. There may be other risks and social and economic losses either not known to me or not readily foreseeable at this time, and I fully accept and assume such risks and all responsibility for losses, costs and damages I incur as a result of my participation in the activity.

I hereby release, discharge, covenant not to sue, and agree to indemnify and save and hold harmless the Board of Trustees of Southern Illinois University and Southern Illinois University Carbondale and their officials, representatives, agents, volunteers and employees and Intramural Sports, its owners, employees, agents, other players, event sponsors, and, if applicable, owners and lesasers of the premises on which the activity takes place (each considered one of the “Releasees” herein) from all liability, claims, demands, losses, or damages on my account caused or alleged to be caused in whole or in part by the negligence of the “Releasees” or otherwise.

I have read this agreement, fully understand its terms, understand that I have given up substantial rights by signing it and have signed it freely and without any inducement or assurance of any nature and intend it to be a complete and unconditional release of all liability to the greatest extent allowed by the law. I further agree that if any portion of this agreement is held to be invalid the balance, notwithstanding, shall continue in full force and effect. I verify that I am at least 18 years of age and competent to sign this agreement.

THIS IS A RELEASE OF LEGAL RIGHTS. READ AND BE CERTAIN YOU UNDERSTAND IT BEFORE SIGNING.
If you have any questions regarding the language or details of this document prior to signing, please contact Corne Prozesky at 618-453-1277

Photo & Video Disclaimer

The Competitive Sports Office, RSS Marketing employees, and other University employees may photograph or videotape players during scheduled activities for use in various University and departmental marketing campaigns and promotional materials. If you do not wish to be photographed or recorded during intramural sport participation, please notify a professional staff member of Recreational Sports and Services.
Current Sport Offerings

Please visit our RSS Intramural Sports webpage or our IMLEAGUES school page to view the current schedule. Current sport offerings are subject to change at any time, and the Competitive Sports Office does not guarantee that any league, tournaments, or contests will be offered as scheduled.

Eligibility

Students
- On-Campus
  - Undergraduate and graduate students must be currently enrolled for at least one credit hour.
- Off-Campus/Online
  - Undergraduate and graduate students must purchase an “inactive student” membership.

Faculty/Staff
- Currently employed SIUC faculty and staff who have purchased a semester or annual RSS membership may participate in intramural sports.
- Adjunct faculty members who have purchased a semester or annual RSS membership may participate.

Non-SIU Affiliated Individuals
- RSS members, partners, and dependents must purchase a semester or annual membership to participate in intramural sports.
- RSS members, partners, and dependents under eighteen years of age cannot participate in SIU Intramural Sports.
- Guests of RSS members, partners, and dependents may not participate in intramural sports.

Professional and Semi-Professional Athletes
- Any individual that has received payment for trying out for a professional or semi-professional league or for participating for a professional or semi-professional league is ineligible for registering for his or her sport or related sport for a period of three calendar years (1,095 days) after his or her official affiliation with the team has ended.
- Professional and semi-professional athletes may participate in all non-related sports.
- Please review the related sports table for more information.

Varsity Athletes
- Any individual at appears on the roster for a collegiate varsity team is ineligible for participation in his or her sport or related sports for one calendar year (365 days) from the end of their official affiliation with the collegiate team.
- Current and former varsity athletes may participate in non-related sports.
- Please review the related sports table for more information.
  - The Competitive Sports Office reserves the right to consider any sport closely related to any SIU varsity sport.

Sport Club Athletes
- A sport club athlete is defined as any student that appears or appeared on the roster for a RSS recognized sport club during the current calendar year.
- For all related sports, no more than two (2) current sport club members may appear on the roster.
- Please review the related sports table for more information.

Gender Identity

All eligible intramural sports participants may play in accordance with their personal gender identity. A participant’s gender identity will be applied when there are gender specific rules or player ratio requirements for co-recreational leagues. The player’s gender identity at the time of league registration will be used in these determinations. A player’s gender identity will be captured via the IMLEAGUES website.

The Competitive Sports Office understands that gender identity is a complex process that can unfold over an extended period. Transgender participants are encouraged to communicate any issues regarding participation with the Coordinator of Competitive Sports. If the player does not feel comfortable working with the Coordinator of Competitive Sports, the individual is welcome to contact the Associate Director of Programs.

Registration

SIUC students and RSS members must register for all sports on SIUC’s IMLEAGUES’ web site. Players are expected to sign up during the posted registration periods for each sport. Registration periods are typically two weeks and end on the Wednesday before the anticipated start of each sport.

Waitlist registration is typically available for league sports, giving players and teams an additional opportunity to register before the start of the postseason. Late registrations may or may not be accepted for tournaments and contests. The Competitive Sports Office cannot guarantee placement after the official registration period has ended.

Free Agents

SIUC students and RSS members who are unable to find a team may sign up as free agents. Please visit the SIUC IMLEAGUES web site to register as a free agent. Team captains may contact free agents, and the free agent may choose to join that team or decline the invitation. Free agents may also initiate the process by contacting captains. Please contact the Competitive Sports Office for instructions and help.

Team Captains

Each team is required to have two co-captains. Each team captain serves as a liaison between the Competitive Sport Office and his/her team. Team captains are charged with communicating all information received from Competitive Sports staff to his or her team in a timely manner.
Captains’ Responsibilities
✓ Reviewing the SIUC Intramural Sport Handbook and relevant sport rules
✓ Ensuring that team members understand and comply with Competitive Sports policies and procedures.
✓ Provide accurate team availability for pool play and postseason of each sport
✓ Checking the eligibility of all team members
  o This responsibility includes preventing violations of the Competitive Sports ID Policy.
✓ Verifying that all team members have signed in for the contest
✓ Verifying that all team members are currently listed on the official roster
✓ Notifying his/her team members of the date, time, and place of each scheduled contest
✓ Bear responsibility for the behavior of the team and anyone affiliated with the team.
✓ Check the accuracy of the contest results on the SIUC IMLEAGUES web site

Sport Chair
The sports chair is a designated individual that may create teams on behalf of his/her SIU student organization. A sports chair can create multiple teams within and across leagues. However, a sport chair must follow league eligibility rules when choosing to join a team. To become a sports chair, please submit a request to the Competitive Sports Office (siucompsports@siu.edu).

Registration Instructions
1. Visit Recreational Sports and Services’ Fusion portal (online.rec.siu.edu)
2. Use Login Credentials
   A. (CURRENT STUDENTS & FACULTY/SATFF) Log in using your SIU credentials
      i. Username: SIU + nine-digit Dawg Tag
      ii. Password: Current SalukiNet password
   B. (RSS MEMBERS) Log in using your RSS member credentials
      i. Username: RSS Member Number (Omit the dash)
      ii. Password: Fusion Portal Password
3. Select “Competitive Sports” by clicking the whistle.
4. Click the IMLEAGUES Banner.
5. You should be immediately logged into IMLEAGUES.

Leagues
To accomplish our mission to provide the SIUC community a fun, engaging, and appropriately challenging recreational experience and to satisfy diverse sports interests, the Competitive Sports Office offers different leagues and divisions for our sports. When the number of team registrations for a particular league is low, the Competitive Sports Office reserves the right to consolidate leagues.
Open Leagues:
✓ Open leagues have no gender restrictions for eligible players. Any number of males and/or females may play on one team.
  ○ Open - Competitive: The competitive league appeals to the team and individuals with above average skill who desire a high level of competition. Players in this league typically played the sport in high school, play(ed) in local leagues, or have played for many years.
  ○ Open - Recreational: The recreational league appeals to players and teams of various skill levels who desire a more relaxed and fun atmosphere with some occasional competitive matchups.

Men’s Leagues
✓ Greek – Fraternities: Teams in this league represent a fraternal organization officially recognized by the College Panhellenic Association, Interfraternity Council, Multicultural Greek Council, the National Pan-Hellenic Council, and SIUC Fraternity and Sorority Life.
  ○ To be eligible for participation, players must be listed on the Greek organization’s official roster on file with SIU Fraternity and Sorority Life.

Co-Recreational League:
✓ In these league(s), teams have a minimum required number for both male and female players.
  ○ Competitive (A): This league appeals to the team and individuals with above average skill who desire a high level of competition. Players in this league typically played the sport in high school, play(ed) in local leagues, or have played for many years.
  ○ Recreational (B): This league appeals to players and teams of various skill levels who desire a more relaxed and fun atmosphere with some occasional competitive matchups.

Waitlist
After the registration deadline has passed for scheduled league sports, teams and individuals may register for the waitlist. Waitlisted teams may be placed into the league if (a) time slots are available, (b) teams are removed due to forfeitures or poor sportspersonship, and/or (c) a team captain requests that his or her team be removed from the league or tournament.

Since games may have already been scheduled, a waitlisted team must accept the division and game time(s) offered by the Competitive Sports Office. If a waitlisted team has not been contacted by the conclusion of the regular season, the Competitive Sports Office recommends that the players attempt to join other teams.

Sport Quizzes & Presentations
For each team sport, a team captain must complete an online quiz to complete team registration. Players must also complete the quiz to join a team. The quiz will test a players’ knowledge and understanding of the policies and procedures detailed in the SIUC Intramural Sport Handbook, the rules presentation for that sport, and the relevant sport rules.

Rules presentations for each sport will be posted on the IMLEAGUES website. Players can review the rules presentation during sport-specific quizzes and by visiting the league page for each sport.
Team Names
The Competitive Sports Office reserves the right to change any team names or icons. Please use proper judgement when selecting team names. If you are unsure about the chosen name, please contact us for guidance.

Names that include or reference the following are prohibited:
✓ Vulgarity
✓ Sexually explicit or violent acts
✓ Discrimination (race, religion, color, national origin, age, sex, sexual orientation, weight, disabilities etc)

Roster Information
✓ Players may play for one single gendered team and one co-recreational team per sport.
✓ Players may be added to a team’s roster at any time. Team captains are responsible for ensuring that all participating players are officially on the roster.
  o Each sport has a roster limit.
  o Without the permission of the Coordinator of Competitive Sports, additional players may not be added beyond the roster limit.
✓ Roster additions may not be allowed during the postseason of league sports.
✓ A player is considered to have officially played for a team once he or she has checked in for a team’s game or match. Without approval from the Competitive Sports Office, that player may not transfer to another team for the duration of that sport.

Scheduling Format

Team League Sports
✓ Teams will provide their time availability during the registration period. League sports will typically have a two-week regular season followed by a single or double elimination post-season tournament.
✓ Since captains can select their playing day and time and/or provide the team’s availability, the Competitive Sports Office may not accept requests to reschedule regular season contests.
✓ At the conclusion of the regular season, the postseason bracket will be created and posted for the captains’ review.

Team Tournament Sports
✓ Teams will provide their time availability during the registration period.
✓ Tournaments may follow a single elimination or double elimination format.

Individual/Dual League & Tournament Sports
✓ The Competitive Sport Office will provide weekly matchups.
✓ The Competitive Sports Office may provide the competitive schedule or players may be asked to schedule and play weekly contests.
✓ In self-scheduled leagues and tournaments, teams and individuals are expected to contact each other and decide upon a time to complete the match before that week’s deadline.

Contests/Competitions
✓ These contests and competitions are annual events that are scattered throughout the academic year.
✓ The registration process will vary by contest/competition.
Policies & Procedures

SIUC ID and RSS ID Policy
Each player should be prepared to present his or her SIUC or RSS ID when signing in for each contest. If a player cannot present his or her SIUC or RSS ID when asked, he or she may not be allowed to play. Other forms of identification (e.g. state issued identification, Facebook profiles, SalukiNet class schedules) may not be accepted.

If a player attempts to sign in using the SIUC or RSS ID of another individual, the player will not be allowed to participate. The guilty player, the owner of the SIUC or RSS ID, and the team captains shall be suspended from all RSS facilities until all individuals meet with the Coordinator of Competitive Sports.

Photography Policy
Personal and academic photography and videotaping are permitted in RSS facilities with the exception of restrooms and locker rooms.
- Personal photography and videotaping is defined as media of friends/family obtained informally for personal/private use. Personal photography used for commercial purposes is not permitted.
- Academic photography and videotaping is defined as media obtained and/or reproduced for academic purposes including class projects, University promotions and information. Academic photography must be approved by Corne’ Prozesky, Director of Recreational Sports and Services.

Taking photos or video of individuals without their consent or the consent of RSS is prohibited and is cause for immediate removal from RSS facilities and possible suspension from RSS facilities.

Pets
Owners are solely responsible for the behavior and actions of their pets. Pets must always be leashed and under control. Control is defined by a person holding the pet’s leash at all times. Tying the pet’s leash to objects is not considered control. All pet droppings must be picked up immediately. There are designated locations with dog waste stations to assist with the removal of pet droppings.

Service Animals
Service animals are allowed at all RSS facilities and the Track and Field Complex. Service animals, as defined by SIU Disability Support Services, are “any dog that is individually trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual, or other mental disability” (SIU Disability Support webpage).

All other pets, including emotional support animals, are not permitted in the Student Recreation Center and on the playing surfaces of the Recreational Sport Complex, Track and Field complex, and Sam Rinella Fields.

When any animal becomes uncooperative or belligerent, Competitive Sports staff reserves the right to ask owners and their pets to leave the facility.
Proper Attire
All attire and equipment are subject to the approval of Competitive Sports staff. Any clothing or equipment that is deemed unsafe or illegal must be removed prior to competition. Competitive Sports staff reserves the right to ask players to remove or conceal clothing that displays offensive or demeaning language or imagery.

Athletic attire is required for all sports. Athletic attire is typically breathable and loose fitting to allow a player to perform physical movements safely and effectively. Non-athletic clothing may lead to injury.

Players are required to wear athletic shoes (e.g. basketball shoes, running shoes, tennis shoes) for all sports. For outdoor sports such as flag football, soccer, and softball, molded rubber cleats, molded rubber cleats with metal tips, and screw-in cleats with studs are allowed. Spiked cleats and screw-in metal cleats are prohibited.

Illegal Equipment
The following equipment may be considered illegal for certain intramural sports:
- Jewelry (e.g., earrings, rings, nose rings, bracelets, necklaces etc.) must be removed prior to each contest. Individuals with permanent or non-removable jewelry will not be allowed to participate.
- Casts worn above or below the waist.
- Headwear containing any hard and unyielding materials or exposed knots
- Pads or braces made of hard and unyielding materials worn above and/or below the waist.

Competitive Sports staff has the authority to determine the legality of equipment at any time and to request that the player and/or illegal equipment is removed from play.

Rules
All SIU Intramural Sports rules are based on the current rules publications of the National Federation of High Schools (NFHS), National Intramural-Recreational Sports Association (NIRSA), and other relevant professional and recreational associations. When appropriate, rules are modified and/or created to level the playing field and foster a safe and enjoyable experience for all players. The SIU Intramural Sports rules shall take precedence when there is a conflict between SIU IM Sport rules and the rules of national governing bodies.

Defaults, Forfeits, & Grace Periods
Defaults
A default is a cancelled game. There are two types of defaults.
- a) The team captains have notified the Competitive Sports Office by 4:00 PM on the day of the contest.
- b) After the grace period(s), a team is one player short of the minimum required to play a contest.

Forfeits
A forfeit is defined as one of the following:
- (a) Failing to field a team for an Intramural Sport contest without contacting the Competitive Sports Office
- (b) Receiving conduct penalties before, during, and after an Intramural sport contest that result in forfeiture
- (c) Receiving two defaults during a league or tournament
- (d) Allowing ineligible players participate during a contest.
  - o The team captains should verify the eligibility of all players on the roster for every contest.
  - o The team captains shall be held responsible when an individual violates the ID policy.
  - o In Greek leagues, non-Greek students are considered ineligible players.

When a team forfeits a game or match, that team is subject to being assessed a forfeit fee. The fee amount varies by scheduling format. Please review the Scheduling Format and Fee Schedule tables for more information.

</tr>
</tbody>
</table>

### Payments

- During the team registration process on IMLEAGUES, the team captain shall input credit card information or link his or her PayPal account to his or her IMLEAGUES account.
- If a team or individual forfeits a game, the team captain shall receive a notification e-mail.
- The team captain has two (2) business days from receipt of the notification e-mail to request an appeal.
- If the team captain does not contact the Coordinator of Competitive Sports to request an appeal, the forfeit fee will be assessed.
- **If no credit card information is available for processing of the forfeit fees, the captain and all team members are subject to not only suspension from the Student Recreation Center and all RSS facilities but also the loss of the privilege to participate in Competitive Sports activities.**

### Forfeit Fee Appeal Process

- If an appeal is requested, the team captains and/or individual shall meet with the Coordinator of Competitive Sports to provide justification for the waiving of the forfeit fee.
  - If the appeal is upheld, the loss may be recorded as a default.
    - If the loss is recorded as a default and results in the second default for a league or tournament, the forfeit fine will be assessed. No appeal will be considered in this case.
- If the appeal is denied, the forfeit fine will be assessed.

### Grace Periods

#### Initial Grace Period

If at least one team member has signed in at game time, the team will be granted a five-minute (5:00) grace period. Once a team reaches the minimum number of players to start the game, the team must start when directed by Competitive Sports staff.

#### Optional Grace Period

After the initial grace period has expired, and the team has not yet reached the minimum number of players, the opposing captain has two options: (a) accept the win by forfeit or on-site default or (b) wait an additional five minutes. Once the opposing captain decides to wait, that decision is irreversible.
Once a team reaches the minimum number of players to start the game, the team must start when directed by Competitive Sports staff. If the team cannot field the minimum number of players by the end of the optional grace period, the game will be declared a forfeit or on-site default.

**Blood Policy**
Players that are bleeding, have an open wound, and/or have an excessive amount of blood on the uniform will be directed to leave the game. The bleeding must be stopped, the open wound must be covered, and/or the bloody uniform must be changed/cleaned before the player can return to the game.

**Protests**
Protests shall be restricted to matters of rule interpretation and application as well as player eligibility.

**Team captains may not formally protest a sport official’s judgment call.**

**Player Eligibility**
- Before signing the official scoresheet for the contest and/or leaving the contest site, the team captain may protest the eligibility of an opposing player by filing a formal protest.
- The Competitive Sports Supervisor shall meet immediately with both captains to discuss the matter.
- If the Competitive Sports Supervisor is unable to decide the eligibility of the player, the protesting captain shall complete a formal protest form.
- The Competitive Sports Office will investigate the matter and inform both captains of the final decision.

**Rule Misinterpretation or Misapplication**
- **After the conclusion of the play and before the start of the next sequence (e.g. Down, possession),** the team captain should inform an official that he/she would like to protest a potential rule misapplication or misinterpretation. After the start of the next sequence, the team captain may no longer protest the previous play.
- The officials will hear the protest and make an official ruling.
- If either team disagrees with the officials’ decision, they may appeal the decision to a Competitive Sports Supervisor.
- The Supervisor shall make a ruling based on the information provided by the officials. If either team continues to disagree, the Supervisor shall complete the protest form, and the game shall continue.
- The Coordinator of Competitive Sports shall review the form and contact each team captain.
  - The decision and rationale of the Coordinator of Competitive Sports is final.
- If the on-field decision of the Supervisor is overturned, if time allows, the game will be replayed from the point of the rule misinterpretation or misapplication.

**Concussion Policy**
- Competitive Sports staff will remove players who exhibit signs and symptoms of a concussion.
- The player cannot participate in intramural sport activities unless cleared by a healthcare professional (e.g., licensed physician, advanced registered nurse practitioner, physician assistant, certified athletic trainer, or Doctor of Osteopathic Medicine (DO).)
- The player is required to return the original signed note to the Competitive Sports Office.
  - The Competitive Sports Office strongly recommends that the player follow a concussion management protocol as determined and administered by a healthcare professional (e.g. licensed physician, advanced registered nurse practitioner, physician assistant, certified athletic trainer, or Doctor of Osteopathic Medicine (DO).)
Tournament Eligibility

Team League Postseason Eligibility
All leagues will consist of a pool play section followed by a postseason tournament. Team records, results, and overall sportsmanship rating will be considered final at noon on the day following the end of the pool play section. Team captains should notify the Competitive Sports Office of any errors before the deadline.

To be eligible for the postseason, each team must satisfy the following criteria:

1. No more than one forfeited game
2. An average sportspersonship rating of a 3.0 or better

If circumstances allow, all currently registered teams may be included in the postseason tournament. Please note that postseason eligibility and inclusion is subject to change due to unforeseen circumstances (e.g., weather, time constraints etc.)

The following criteria will determine pool rank and league rank:

1. Sportspersonship Rating
2. Win/Loss Record
3. Head-to-Head Match Up
4. Point Differential
5. Coin Toss

During all tournament play, teams must maintain an average sportspersonship rating of 2.5 or better to advance to the next round. Regardless of a team’s sportspersonship rating, the Competitive Sports Office reserves the right to suspend players with poor sportspersonship and/or remove the entire team from the postseason tournament.

League Promotion
The Competitive Sports Office reserves the right to promote teams to a more competitive league for the postseason. Teams will be promoted based on regular season performance and observations by Competitive Sports staff. When a team is promoted to a higher league for the postseason, regardless of their regular season record and performance, that team will receive the lowest seed. Teams that will be promoted will receive notification from the Competitive Sports Office.

Team, Dual, and Individual Tournament Eligibility
Teams must register prior to the state deadline to guarantee inclusion. Matchups may be randomly assigned prior to play. A player or team must maintain an average sportspersonship rating of 2.5 to advance to the next round.

Extramural Competitions
SIUC Intramural sports players and teams may be asked to represent Southern Illinois University Carbondale at local, regional, and national extramural tournaments. Typically, the champions of the 7v7 flag football and 5v5 basketball leagues will be extended this opportunity. These extramural competitions are an excellent opportunity to visit a new place, learn new strategies and techniques in flag football and basketball, and meet new people. Please contact the Competitive Sports Office for more information.
Inclement Weather

During inclement weather, Competitive Sports activities may be delayed, postponed, or cancelled. The safety of players, spectators, and Competitive Sports staff is paramount; therefore, the Competitive Sports Office reserves the right to cancel or postpone games due to inclement weather. The Competitive Sports Office will inform teams via IMLEAGUES, email, and SMS messaging. Please do not assume that games are cancelled.

Competitive Sports activities are cancelled on any day when the SIU Administration chooses to close the University.

It is possible that games will be played in bad weather. However, play will be suspended thirty minutes (30:00) from the last spotted lightning bolt or thunder head. Please review the following guidelines for restarting play after lightning occurrences:

- **Regular season games**
  - **Soccer, Flag Football**
    - 1st Half: The game may be completed with possible time adjustments.
    - 2nd Half: The game shall end with the existing score.
  - **Softball**
    - The game will be considered complete in the following situations:
      - Thirty minutes has elapsed on the game clock.
      - The fourth inning has been completed.
      - When the third or fourth inning is interrupted at any point, the home team has reached one of the specified point differentials listed on the mercy rule table.
    - In other situations, the game may be completed with possible time adjustments.

- **Postseason games**
  - Depending on the postseason tournament format and the overall Competitive Sports programmatic calendar, games may be rescheduled.
Code of Conduct

Conduct Rules
No player, team, and/or spectators may engage in unsportspersonlike behavior.

All Competitive Sports Staff members may penalize any game participant for unsportspersonlike behavior.

Examples of unsportspersonlike conduct include but are not limited to the following:

✓ Refusal to follow University and Competitive Sports Office guidelines
✓ The use of verbal or non-verbal profanity
✓ Vulgar, obscene, or abusive language
✓ Disrespectfully addressing or contacting Competitive Sports staff
✓ Receiving excessive conduct penalties
✓ Flagrant and excessive inappropriate behavior directed toward players or officials
✓ Fighting, attempting to fight, or inciting a fight
✓ Theft of or willful destruction of RSS and SIUC facilities and equipment
✓ Engage in alcohol, tobacco, and electronic smokeless device use during intramural sport activities
✓ Offensive verbal and non-verbal expressions refer to a player’s race, ethnicity, culture, age, gender, sexual orientation, gender identity, ability, national origin, veteran status, social economic status (SES), religion, or professional status.

Ejections
Incidents may occur that result in the ejection of players, spectators, teams, and organizations. Ejected individuals and teams are required to cooperate with Competitive Sports staff and provide requested information for the completion of an incident report. The Competitive Sports Supervisor will explain the procedure for reinstatement, if possible, and request that the ejected participant or team leave the visual and auditory confines of the facility. The ejected individual or team is required to leave immediately.

If a player, team, or spectator refuses to cooperate (e.g., leave the facility in a timely fashion, direct verbal insults towards Competitive Sports staff, etc.), the Competitive Sports Supervisor may request the aid of the SRC Facility Manager and/or DPS. The Competitive Sports Office may levy additional penalties against the entire team including, but not limited to, lowering a team’s sportspersonship rating, forfeiting the game in favor of the opposing team, restricting access to the Student Recreation Center for all team members and spectators, and/or removing the entire team from league play. The incident may be referred to the Office of Student Rights and Responsibilities for further review.

Suspensions
All player and spectator ejections will be accompanied by an indefinite suspension from all Competitive Sports activities and loss of access to all RSS facilities. All suspended individuals, teams, and organizations will receive an IMLEAGUES and email notification from the Competitive Sports Office within forty-eight hours of the ejection. All suspensions take effect immediately when the player, team, and spectator is ejected, and these suspensions will not be lifted until a meeting with the Coordinator of Competitive Sports has been scheduled and completed. After reviewing the incident report and completing the disciplinary meeting, the Coordinator of Competitive Sports will inform the player, team, or organization of their decision.

The Competitive Sports Office may impose additional programmatic penalties on individuals, teams, and organizations. When a team or organization is suspended or placed on probation, all associated individuals are also suspended or placed on probation.
**Penalty Guidelines**

The following guidelines provide examples of potential actions that may require programmatic penalties. Please understand that these are guidelines, and the Coordinator of Competitive Sports has the authority to deviate from and/or impose additional penalties.

Appeals
Participants may appeal programmatic penalties by submitting a written statement that includes the intent to appeal and a description of the events that took place before, during and after the ejection.

All written statements for appeal must be received within forty-eight hours of receipt of the suspension notification from the Competitive Sports Office. The written statement must be emailed directly to the Competitive Sports Office at siucompsports@siu.edu or dropped off at the Competitive Sports Office in the SRC Administrative Offices.

The Coordinator of Competitive Sports or Associate Director of Programs may request a meeting with the individual to discuss the situation. Following the review of the appeal, the Coordinator of Competitive Sports or Associate Director of Programs has the authority to lift any imposed penalties or move forward with the enforcement of the original programmatic penalties.

Team Sportspersonship
The sportspersonship rating system serves to assess a team’s attitude and behavior throughout pool play and the postseason. Actions by teams and its supporters before, during, and after the contest are included in a team’s Sportspersonship Rating. The team captain should educate his/her team and spectators about the sportspersonship system.

Each team shall start the contest with a rating of “5”, and the sport officials will determine a final rating at the end of the contest. Team captains may request their rating at the end of the contest and seek an explanation from the Competitive Sports Supervisor and game officials. If there is a disagreement, team captains are encouraged to contact the Competitive Sports Office to discuss the sportspersonship rating.

As stated earlier, during pool play, a team must maintain an average Sportspersonship Rating of “3” to be eligible for inclusion in the postseason tournament. For league postseasons and tournament play, a team or individual must maintain an average Sportspersonship Rating of “2.5” to continue play if necessary.

Team sportspersonship during pool play and postseason will be graded according to the following scale and criteria. The listed criteria are not exhaustive, and Competitive Sports staff may consider other criteria.
<table>
<thead>
<tr>
<th>Rating</th>
<th>Criteria</th>
</tr>
</thead>
</table>
| 5 - Excellent | • The team captains respectively address and aid Competitive Staff in maintaining control over teammates and spectators. Players fully cooperate with Competitive Sports staff and interact positively with opposing players.  
• Spectators support their team in a positive manner.  
• The team is an exemplary model for excellent sportspersonship. |
| 4 - Good | • **Winning Team of a Forfeited Game & Both Teams for a Defaulted Game.**  
• The team captains effectively manage their team. Players verbally complain periodically about some calls but are reasonable and respectful towards Competitive Sports staff. Player interactions with opposing players are mostly positive.  
• **Players’ actions do not result in a conduct penalty (i.e. yellow card, technical foul, or unsportsmanlike conduct penalty).** |
| 3 - Average | • The team captains display limited control over their team, spectators, and themselves. Team members complain to Competitive Sports staff and/or direct verbal attacks at the opposing team. Their actions result in a conduct penalty (i.e. yellow card, technical foul, or unsportsmanlike conduct penalty.)  
• **Teams that receive one conduct penalty cannot receive higher than a “3” rating.**  
• (Softball) The team that has one ejection will not receive higher than a “3” rating. |
| 2 – Below Average | • The team captains continue to exercise no control over their team, spectators, and themselves. After receiving one conduct penalty, the players continue to constantly complain, to indicate resentment for Competitive Sports staff, and to address opponents in an inappropriate manner.  
• A second conduct penalty may be assessed to a player or the overall team.  
• **For all sports, in the judgement of the game officials, the team that has one ejection or two conduct warnings may receive a “2” rating.** |
| 1 - Unacceptable | • **A Team Forfeits a Game.**  
• The team captain exercises no control over their team, spectators, and themselves. After receiving two conduct penalties or one ejection, the players continue to constantly complain, to indicate resentment for Competitive Sports staff, and to address opponents in an inappropriate manner.  
• A team receives a second ejection (softball) or third conduct penalty.  
• **The team that receives two ejections (Softball) or three conduct warnings during a game shall forfeit the game and may forfeit the entire season.** |
COVID-19 Guidelines & Sport Modifications

The COVID-19 pandemic’s impact on higher education in the United States is unprecedented. The Competitive Sports Office seeks to educate and empower students to make informed decisions to prevent the spread of the COVID-19 virus before, during, and after intramural sport activities.

The team captains shall ensure that all team members are aware of and comply with all COVID-19 guidelines discussed in the Intramural Sports Handbook, the relevant rules presentation, and all formal communications from the Competitive Sports Office.

Personal Risk during Intramural Sport Activities

Regular exercise is beneficial for your immune system. Prolonged, high intensity exercise may dampen the immune system, particularly when the individual is not used to such high-level activity. Therefore, there is a potentially increased susceptibility to COVID-19 infection in athletes. This risk is probably small and, if players do not exceed a normal training load, they should be at no higher risk than the non-exercising population.

Those who suffer from underlying illness or any preexisting chronic diseases such as cardiovascular disease, respiratory disease (asthma), diabetes and some forms of cancer appear to be more severely affected by COVID-19. Older individuals (>60) and those who are severely obese (BMI 40+) are also considered vulnerable groups. Athletes without underlying conditions are not part of the vulnerable group.

Recommendations for Safety

Regularly reference the University, State of Illinois, SIU Student Health Services, and Centers for Disease Control websites for updates on recommendations to responding to the COVID-19 pandemic.

The Competitive Sports Office recommends that all players complete a COVID-19 symptom check prior to each contest. The State of Illinois and the CDC provide symptom checklists. The following list of CDC recognized symptoms should be included in your symptom check. The symptoms in bold are common among younger individuals. The most recent verified list of symptoms can be found here.

- ✓ Fever or chills
- ✓ Cough
- ✓ Headache
- ✓ Fatigue
- ✓ New loss of taste or smell
- ✓ Muscle or body aches
- ✓ Breathing difficulty
- ✓ Sore Throat
- ✓ Congestion or runny nose
- ✓ Nausea or vomiting
- ✓ Diarrhea

If possible, have your temperature checked prior to participating in intramural sport activities. If your temperature is above 100.4, please return home and self-isolate. The Competitive Sports Office recommends that you self-isolate until a COVID-19 screening has been completed. As required by University policy, a COVID-19 Reporting Form should be completed.
Vaccinations

**Fully Vaccinated Individuals**

- **Individuals who are fully vaccinated against the virus that causes COVID-19 may resume sports-related activities without wearing masks or maintaining physical distance for all sports.**
- **Individuals are fully vaccinated two weeks after receiving the second dose in a two-dose COVID-19 vaccine series (Pfizer-BioNTech, Moderna) or two weeks after receiving a single-dose COVID-19 vaccine (Johnson & Johnson/Janssen).**

**Individuals Not Fully Vaccinated**

- **Indoor Sports**
  - Individuals who are not fully vaccinated are strongly recommended to continue to wear a mask during sports-related activities for sports played indoors, except when wearing a mask is against the recommendation of an individual’s health care provider or poses an injury risk.
  - Participants who are not fully vaccinated are recommended to have extra masks available and should replace any mask that becomes wet with sweat or water.
- **Outdoor Sports**
  - Individuals who are not fully vaccinated may resume sports-related activities without wearing masks for any sport played outdoors.
  - While masks may be removed during training, competition, and other active exercise according to the provisions above, it is important that, whenever possible, individuals who are not fully vaccinated are strongly recommended to wear a mask during contacts with other unvaccinated individuals that do not occur during gameplay such as on the sideline or bench.

*Schools and other sports organizers may continue to require face coverings and/or social distancing for all individuals, including those who are fully vaccinated.*
Guidelines for Screening and Confirmed Cases

• Screening
  o Players who present symptoms are encouraged to self-isolate immediately and notify the Competitive Sports Office and the Student Health Center. The Jackson County Health Department will provide guidance.
  o Individuals that have had close contact with the symptomatic player are strongly recommended to self-quarantine until directions are received from the Jackson County Health Department.
  o The symptomatic player(s) is/are required to submit a letter confirming their ability to return to play. A licensed physician or nurse practitioner must sign the letter.

• Confirmed Cases after Participation
  o Persons with laboratory confirmed COVID-19 should remain in isolation or should enter isolation.
  o Individuals in close contact with the infected individual may seek testing or continue to self-isolate.
  o The Jackson County Health Department and the Student Health Center will provide further guidance to the individual(s), team members, and the Competitive Sports Office.
