Off-Campus Bank Accounts

- RSS sport clubs may hold an account at a bank or credit union for all self-generated funds such as membership dues and money raised through fundraising initiatives.
- The sport club is **not allowed** to use SIU Carbondale’s taxpayer identification number.
- The sport club is **not allowed** to include the official name of the University (e.g. SIUC, SIU Carbondale, Southern Illinois University Carbondale) when designating the bank account name.
- Outside accounts are the sole responsibility of each sport club. The sport club understands that these responsibilities include, but are not limited to, account management as well as tax filing and reporting obligations to the IRS or similar agencies.

Opening a Bank Account

Please research the best bank for your sport club. Please consider the following questions:

1. What fees are associated with the account?
2. What is the minimum balance required for the account?
3. What are the charges for being overdrawn?
4. How many individuals may be authorized to sign on checks?
5. When leadership changes, how do we change the authorized signature(s) on the account?
6. What steps can be taken if the previous signer is unavailable?

The individuals with signature authority on the account must go to the bank/credit union together to open the account. You must take the following: (1) Driver’s license of both individuals, (2) the club’s SS-4 form (EIN), & (3) your current constitution.

Bank Account Recommendations

- It is strongly recommended that you use a bank/credit union at which the signature authorities **do not** have a personal account.
- Identify two individuals that have signature authority for checks.
- While debit cards may present an easier form of payment, the misuse of funds can be much greater. Checks will require a signature and can be more easily traced.
- Sign up for online banking.
- Appoint or elect a treasurer that has an understanding of accounting procedures.
  - Develop organizational accounting procedures.
  - Require receipts for reimbursements, and store the receipts in an organized filing system.
  - Develop procedures for the following:
    - Changing the names of authorized account holders
    - Cash handling of membership dues, fund-raising income, etc.
    - Handing of funds in case of bank account closure
